

## Swimming Bubble Agreement

- Hire for bubbles is pool hire for your social bubble, up to a maximum of 6 people. This hire includes one hour in the pool, with supervision by a lifeguard. Your group will gain access to the changing facilities at the start of your pool session, and 15 minutes after the end of your session to allow for changing.

Please review the detailed information below regarding your session:

1. It is the responsibility of the hirer to ensure that all members of their party meet the government guidelines for social bubbles. Beechwood Community Centre do not take responsibility for maintaining social distance during your hire as it is assumed that all members of the group belong to the same social bubble and therefore do not need to maintain distance from one another.
2. Please do not attend if you or any of your group are unwell or have been advised to self isolate. If you appear unwell on arrival at the centre you may be asked to leave.
3. Prior to your arrival the changing facilities and pool area will have been cleaned, ready for your use.
4. Please follow our one way system and the guidance of staff when moving around the centre and pool areas. This is to limit your contact with other groups that may be using the centre.
5. Your group will be allocated to a changing room. Each room includes a number of cubicles to allow for privacy where required. .
6. During this time, we are unable to offer the loan of any floats, noodles, toys, goggles or other items of equipment. Please feel free to bring your own suitable items - these must be clean and may be subject to review by pool staff to ensure they are suitable for use in our pool.
7. All swimmers must shower before being allowed to use the pool - soap dispensers are in the communal shower areas.
8. Lockers are closed. Please leave your belongings in the changing rooms. If you have valuables you may bring them to the poolside where you will be able to leave them in a designated area. As always, belongings are left at your own risk so consider only bringing what you need.
9. All normal pool rules apply during your pool session
10. The centre staff and lifeguards are there to support you, but please respect social distancing from pool staff.
11. Your session includes up to 1 hour in the pool.
12. Following your pool session, please use the changing facilities to quickly rinse off, dry and dress. In order to allow us time to clean before the next user we ask that you are no more than 15 minutes in the changing rooms.

Lead name, phone number and email address: (may be passed to NHS track and trace or any other relevant authority if requested and will stored on our files for a minimum of 21 days)
